

Top 5 Rules You Should Know Before You Visit:

Drowning is the 2nd leading cause of death to children under the age of five. As such, swimming pools across the country take many precautions to ensure the safety of guests visiting the facility. The rules listed below were created through evidence-based research designed to provide a safe and enjoyable swimming experience. Should you have any questions about the rules, please reach out to an Aquatic Supervisor at lsilins@perinton.org (Laura) or pkelly@perinton.org (Paul).
