## Survey to study recreation services

In partnership with The College at Brockport, Perinton is conducting a survey to better understand the thoughts of recreation in our community. This will help us best

provide programs and services. This survey is open to Perinton residents and non-residents and we encourage regular users and non-users to take the survey.

Participants will be entered in a raffle to win one of four prizes valued at \$25. [Please click here to take the survey.](#)
