Upcoming 2019 School Tax Collection

In an effort to make sure our residents are properly informed and prepared for the upcoming School tax collection, we have included some important information below.

The Town of Perinton Tax Office serves as the school district's collecting agent. Although we handle tax collection, the development of and final decision on the school budget is determined by a public vote that occurs toward the end of each school year. If you have any questions regarding your school district's budget, please be sure to contact your school directly.
