Bee-bim Bop! Story Walk

Bee-bim bop is a) 'mixed up rice', b) a traditional Korean dish, c) delicious and d) a cheerful lively picture book about cooking with Mama. Rochester author Linda

Sue Park has worked as a food journalist and has won many cooking contests. The story walk is located along the pathway to the amphitheater. Each light post

along the path features a section of the story. This is a great family friendly activity that promotes healthy eating and exercise for children.

Halloween Parade

Be part of this costume parade on October 25 at 6:00pm. A costume contest will take place immediately following the arrival to Potter Park. Complimentary doughnuts and cider will be provided by the Fairport Fire Department. This event is co-presented with the Fairport Rotary.

Community Garden Dinner

The Community Garden Dinner was a success! We had a wide variety of dishes all made with ingredients that were grown in the Potter Park garden. Gardeners brought soups, appetizers, salads, pasta and even desserts. Starting in 2016 Moonlight Creamery began turning ice cream out of ingredients grown in our garden! This years flavor was chocolate ice cream with chocolate zucchini biscotti crumbles.

Welcome our New Intern

Welcome Anthony Brott to the Perinton Recreation & Parks Department! Anthony is a senior at SUNY Brockport majoring in Recreation and Leisure. He will be an intern in Perinton through November working on everything from aquatics, to individual programs and marketing. Anthony grew up in Canisteo, near Hornell. He worked with Perinton Rec last year when SUNY Brockport helped run a survey on interest in recreation. He is currently conducting studies on program enrollment and what makes programs successful. Anthony would like to develop his own program for Perinton before his internship is over.
